TRADITION

GREG TONAGEL

The fastest and youngest coach to 500 wins along with three National Championships, Indiana Wesleyan University Head Coach Greg Tonagel understands the formula for success. The former LaPorte Slicer and Indiana All-Star understands what it takes to

build a winning tradition in the state of Indiana. Since the IWU Men's Basketball Program has hosted Super Hoops team camps, it has become the largest team camp in the state! Year after year, the top programs in the state sign up to compete against first-class competition to position themselves for success in the regular season.

"Working with Indiana high school basketball programs in the summer is a highlight of my job. It's an honor to play a part in the growth and development of so many special programs." -Greg Tonagel

JOHN DILLMAN

In 1997, John Dillman, the founder of Super Hoops Team Camps, pioneered organized team camps for high school programs to prepare for the season by playing high level competition in the off season. Twenty-seven years later,

Super Hoops Team Camps is the largest team camp in the state with nearly 100 teams competing each summer. Super Hoops has offered coaches the opportunity to build team chemistry, develop players' fundamentals, and connect with other coaches across the state.

TESTIMONIALS

Super Hoops Team Camp has been a staple of our basketball program for many years. The SH staff truly cares that every team has the best experience possible. The organization, basketball facilities, housing, and dining are all top-notch. If you are a coach looking to attend a team camp, Super Hoops should be on the top of your list. Our players look forward to attending each summer.
TOM BRADLEY Orleans Varsity Basketball Coach

Super Hoops Team Camp is definitely the premier team camp in Indiana! My teams have been attending this camp since they started out in the 90's! It has always been a great experience for my teams in terms of team bonding, playing great competition, and improving as a team. The camp is very well run and organized, they stay on schedule, and the food and dorms are top notch! The Super Hoops weekend is always talked about by my former players and they rate it as the best basketball experience of the summer.
SCOTT RADEKER Northridge Head Coach

Super Hoops is a great experience for our entire program. The camp fosters team chemistry and a sense of mental and physical toughness among all of our players. The camp is very well organized and features outstanding competition from Indiana and surrounding states.
